Subject: Neonicotinoids in Wisconsin Groundwater and Surface Water--Report
Attachments: Final_Rpt_2019.pdf

Please find attached our report on the occurrence of neonicotinoids in Wisconsin groundwater and surface water. The report is a compilation of DATCP groundwater and surface water data from 2008 through 2016.

I would like to thank all contributors and those who provided early reviews and comments on this work. You know who you are--Thank You!
